South Nanaimo, Nanaimo, British Columbia

Affordable Opportunity with Redevelopment Potential – COR1 Zoning. This two-bedroom, one-bath home on Nicol Street offers a unique opportunity for the right buyer. The property is well-suited for future redevelopment or land assembly, making it a solid holding investment. The home itself could benefit from some TLC and presents a great chance for a first-time buyer or handy investor to build sweat equity. Access is by easement via the neighboring lot from the alley. The property includes two outbuildings – one approximately 8x12, and another that’s in rougher condition but may be salvageable. This is a great fit for someone with vision who isn’t afraid of a job of work. Priced accordingly to reflect the current condition and future potential. (id:6289)
