Campbell River Central, Campbell River,
British Columbia

This spacious 3 bedroom rancher has so much to offer. Central location. 1500+ sq ft of living space with 3 bedrooms with a living room and large family room. The back yard is where this listing really shines. The large deck allow for outdoor living, and if need be RV parking, while the lane access to the garage allows the you to fully take advantage of you landscaping skills as there is no driveway taking up valuable garden space. It has a central location that is close to schools and other amenities. If you are looking for a first home or retirement home do not pass this up. If the price doesn't exude value enough, did I mention that there is a wood stove to help keep hydro cost down. (id:6289)
