Don't miss this beautifully maintained and unique 1 bed 2 bath loft unit. One of only two lofts in the building, this home has a WOW factor as soon as you walk in. Wall of double height windows as you enter the door letting an abundance of natural light into your trendy/modern space. On the main floor is a large open concept living room, dining room and kitchen. No better condo for entertaining! Heading upstairs, past the convenient 2-pc bathroom, is a stunning loft bedroom. Large enough to accommodate a king bed and seating/a home office, this space once again is soaked in light. A 4-pc bathroom, a custom closet, and laundry round out the loft. Additional access to the hallway from this level, making moving a breeze or simply skipping stairs a possibility. The premium finishes/appliances throughout the unit speak to the quality build of this steel/concrete complex. Includes parking/storage locker, plus pets and rentals allowed. (id:6289)
