Single Family on 1.08 Acres

Campbell River North, Campbell River, British Columbia

Just over 1 gorgeous acre in Campbell River's best rural neighborhood! Only 10 minutes to town and walking distance to lakes and Elk Falls trails! A short drive to all the best camping and fishing spots, and quad and dirt bike trails! Peaceful acreage has a view of the neighbor's pasture and you'll receive friendly visits from the horses at your back fence. There is a 3 bedroom cottage-like home on the property as well as full RV setup on it's own septic and power. RV septic system can accomodate a 4 bedroom home, so purchase the RV as well (sold separately), or bring your own and live comfortably while you build! And at the same time, earn income from the excellent tenants in the home. There is also 2 shops on the property, and another 32x32 Quonset included with sale (needs to be constructed). So many options! (id:6289)
