The Bossi House, Victoria, British Columbia

Modern top floor studio in an amazing downtown location! Freshly painted and in great condition, you'll love this bright south-facing stylish condo with skylights, high ceilings (9ft to 10'8), a beautiful kitchen with quartz counters, stainless steel appliances, and clever built in furniture. The suite includes two creatively designed queen size murphy beds (one over the couch and the other over the dining table). There is insuite laundry and a lovely deck that overlooks a nearby community garden. On the building's lower level you will find a bike lock-up and your own secured storage unit. Built in 2010, The Bossi House is a boutique 16 unit development that's also part of a designated heritage building. Incredible location that's just steps to restaurants, cafes, the Market on Yates, London Drugs, theatres, bike paths, major bus routes, walking distance to the waterfront, and close to everything that downtown Victoria has to offer.
