\$2,285,000

4 Bedroom, 2.00 Bathroom, 2,225 sqft

Single Family on 0.61 Acres

Trout Creek, Summerland, British Columbia

*Wow...Summer is here and the listing price on this spectacular waterfront property has just been reduced by \$274K to less than the BC assessed value & Seller wants it sold to settle the Estate. Built in 1959, this contemporary home was ahead of its time, featuring high ceilings and large windows in the main living and kitchen areas, transitioning to standard 8-foot ceilings throughout the rest of the house. Situated on the lovely shores of Okanagan Lake, the property boasts a timeless appeal though it has seen a lack of routine maintenance in recent years. While structurally sound, the home requires extensive updating. The Seller has recently acquired the foreshore property between the old 'legal' property line & basically the high water mark of Okanagan Lake by way of the 'accretion' process. This has increased the lot size by almost 6,000 sq ft to .615 acres of completely flat property. Located in exclusive Trout Creek, it is just minutes from local amenities, including an elementary school, tennis courts, a boat launch, Powell & Sunoka beaches. Fully serviced, the lot offers the potential for a carriage house, subject to approval—a unique opportunity as large waterfront lots like this are increasingly hard to find. (id:6289)
