Ellison, Kelowna, British Columbia

Perched high above Kelowna on a private 10-acre hillside, 4520 Farmers Drive is an immaculately kept 5,000+ sq. ft. log home offering some of the most jaw-dropping views imaginable, sweeping panoramas of city lights, Okanagan Lake, the valley, and surrounding mountains. Built in 1996 and lovingly maintained, this retreat blends timeless log craftsmanship with modern comforts, including in-floor radiant heat, ductless A/C, a show-stopping stone fireplace, and a chef's kitchen with a gas cooktop and built-in oven. Soaring ceilings and walls of windows flood the living and family rooms with natural light and endless scenery, while the layout is designed for both entertaining and relaxation: the main level features two spacious bedrooms, a full bath, and wide-open entertaining spaces that flow to an expansive deck with hot tub; the upper level offers a private primary suite with a 5-piece ensuite, walk-in closet, and lofted office or workout area overlooking the incredible views; and the lower level includes a finished walk-out with recreation rooms, storage, a 2-car garage (fits 4 cars), and separate entrance. Outside, 10+ acres of rolling hillside provide total privacy, RV parking, and a secure gated drive, all just minutes from the airport, golf, and Kelowna's amenities while still feeling like your own mountain escape.
