Single Family on 0.17 Acres

Black Mountain, Kelowna, British Columbia

Looking for a home where exceptional quality meets meticulous design? This one is a standout. Crafted to showcase its stunning setting, it captures sweeping views of Black Mountain from multiple rooms. Whether you're curling up with a good book, firing up the BBQ in the built-in niche, or gathering around a gas fire pit, the expansive deck is your front-row seat to the scenery. Inside, the bright, open-concept layout flows effortlessly, with generously sized rooms made for easy living. The kitchen is a true showpiece, complete with award-winning Norelco cabinetry, recognized with gold for "Excellence in Kitchen Design" at the 2025 Okanagan Housing Awards of Excellence. Every element is both beautiful and practical. The primary suite delivers next-level luxury, highlighted by an ensuite and walk-in closet that impress at every turn. The spa-inspired ensuite features a massive two-head walk-in shower, roomy enough for the whole family. Throughout the home, designer lighting, high-performance appliances, and rich textures create a refined, elevated atmosphere. A suspended-slab design gives the lower level even more space than the main floor, making room for a 2-bedroom LEGAL suite, two additional bedrooms, a versatile rec area, and plenty of storage. All this comes with the perfect balance of privacy and convenience, just 40 minutes to Big White and only 12 minutes to groceries and shopping. (id:6289)
