181.7 acres with a large horse barn measuring 26x 61 ft. four bedroom, 1 and a half bath home with waterfront on the Bras d'Or lakes. So much potential to farm, recreation or hobby farm. The land around the house is cleared and has sweeping views of the lake. There is a sunroom and a large porch with plenty of storage. The eat-in kitchen has plenty of cupboards and is cozy and inviting. Heated with forced air and having municipal water, this home and lands future use is limited to ones imagination. The waterfront parcel is 8.7 acres with amazing vistas. The home is over 100 years old. The fields are organic and have never had fertilizer on them as to maintain the nutritional value of the soil.
