Glen Margaret, Glen Margaret, Nova Scotia

Swimming, sailing and spectacular sunsets all in your own backyard. Wonderful deep water anchorage, a rare find with over 2 fathoms just off shore and a little further out is a channel dropping to 5.4 fathoms for mooring. This private paradise is located on coveted and beautiful St. Margarets Bay with easy access to the city but far from the hustle and bustle of the madding crowd. Lots of amenities are near by. The one level layout offers a large living and dining area with a sunroom off of the dining room. The kitchen features an eating nook with a lovely water view. The main bedroom with ensuite, is located at one end of the house and the other two bedrooms and main bath at the other end. The lower level offers endless possibilities for development with full walk out to back garden and to the ocean front. Enjoy energy efficient solar panels with low electric costs, installed about three years ago. There is also a generator which remains. Moores Road narrows towards the end into a laneway, goes up the hill and at the shed turn left onto the private driveway. Truly a great get away from the city! (id:6289)
