Single Family on 1.50 Acres

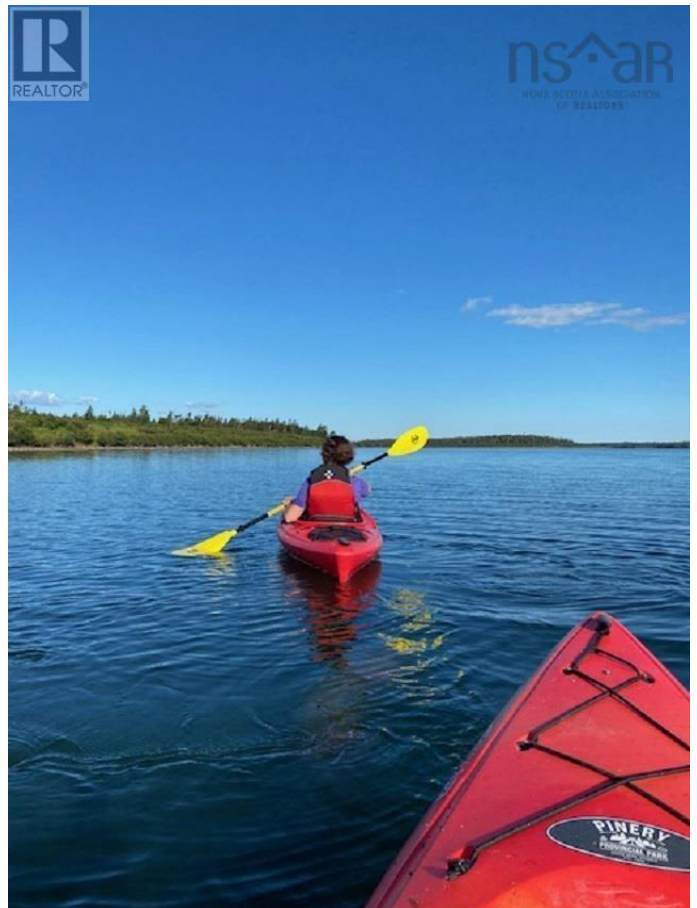

West Arichat, West Arichat, Nova Scotia

Have you always wanted that ocean front home? This is the property for you. Picture yourself watching the beautiful sunrise and sunset, take in the refreshing salt ocean air. This home is like you would see in a magazine. A few years ago the former owner gutted this place to the studs. Siding, windows, roof, foundation, heating system, plumbing and bathrooms, flooring, etc. The main floor has open concept living room, kitchen with custom cupboards, three piece bath with laundry area. The second floor has 3 bedrooms and second three piece bath. The upper floor has the decorators touch with fabric material on the walls - yes fabric. Very rich looking and unique. The decorators touch you can see throughout the home. Combination of oceanfront and a fabulous home makes this property just what you need! (id:6289)
