This is an incredible location. The home sits facing the road with some amazing panoramic water views. There are large clear fields from the home to the road. The rear portion of the property is wooded which also has an incredible wood road carved out of the site to the rear. This property also has a beautiful separate water front site. The home is incredible. Completely done over. New gyproc, insulation, new plumbing, new bath, new wiring and panel, new flooring, windows and siding. I guess you could say a new house. The home has a concrete foundation. Watch those sunsets and sun rises from the large deck. Enjoy the peace, quiet and tranquility. This property has it all. (id:6289)
