2 Bedroom, 2.00 Bathroom, 1,460 sqft

Single Family on 3.66 Acres

East Sable River, East Sable River, Nova Scotia

Delightful four-season getaway or full-time home in the South Shore community of East Sable River. Starting as a simple cottage in 1993, the property received a significant addition in 2019 that more than doubled the living space to 1460 sq. ft. Evidence of the build quality is everywhere. Generous use of wood throughout makes for a warm interior, while durable ceramic covers the bathrooms and higher traffic areas. Living room features a wood-stove, kitchen has a separate dining area. Large primary bedroom has an adjacent room (currently used as an office) that could be used as a second bedroom. Large foyer, two full baths, laundry room and storage area round-out the layout. Sliding patio doors provide lots of natural light and easy access to the two covered decks (one screened-in), allowing you to embrace the open space and stands of mature birch trees on this 3.7-acre property. There is a detached single car garage and shed providing lots of extra storage. This property includes all furnishings and contents, which also makes it attractive as a turn-key rental property. Deeded access to the Sable River; an area that is home to parks, wildlife sanctuaries and a number of white sand beaches all within a close drive. (id:6289)
