Single Family on 0.46 Acres

Denman Island, Denman Island, British Columbia

Good things come in small packages! This cute and cosy Pacific Homes design home is only ten years old, and features quality construction and an efficient, compact floor plan. From the covered porch, to the custom solid cherry wood cabinets made by a local, European-trained craftsman, this home has custom finishes and was built to last. Greenthumbs will love the open and sunny front yard and alpine garden, with rainwater collection for irrigation. The surrounding mature evergreens and a larger acreage behind the property create a lovely sense of privacy. The property is fully fenced and is on a quiet, no-through street close to the beach, park and trails: a safe spot for children and pets, and a delight for peaceful neighbourhood strolls. Denman Island is a jewel of the Gulf Islands, just a 10-minute ferry ride to Buckley Bay with easy access to Courtenay/Comox, Cumberland, and Mt. Washington. (id:6289)
