Drayton Valley, Drayton Valley, Alberta

This property would make for a wonderful INVESTMENT property or a great starter home! The home is located in a mature neighbourhood of Drayton Valley near all amenities and directly across the street from a park. Upstairs one finds a large living room, kitchen, 4 piece bath and 2 bedrooms. What was once a 3rd bedroom upstairs has been turned into a laundry room with access to a new wood deck (2024) overlooking the backyard. The fully developed basement has separate access from the side of the house, it's own laundry, and features a 2 second kitchen, 4 piece bath, 2nd living room and 2 bedrooms complete with a flex room (office area). The double detached garage is large with two overhead doors, one with extra height. 2024 renovations in the basement include new baseboards, carpet, paint and light fixtures.
