Very clean & well-cared-for home located directly across from a beautiful park! This exceptional home has newer flooring, brand new HWT, brand new dishwasher, & the furnace was just serviced/cleaned, including all the ducts. Spacious kitchen with a large dining room with bay-window, also a huge living room with bay-window, 3 very generously sized bedrooms, including a larger master with a 3 pc ensuite. There is also a 4pc main bath. There is tons of storage, plus a separate side entry separate from upstairs. This home would make an awesome family home, with the park right across the road, or an investment, with the wide open floor-plan in the basement, just awaiting your final design.
