3 Bedroom, 2.00 Bathroom, 1,173 sqft
Single Family on 0.06 Acres

Evansdale, Edmonton, Alberta

Located in Evansdale, close to schools, playgrounds and transportation, makes this a great place to call home. Ideal for a first-time homeowner or someone wanting an easy-care lifestyle. 3 bedrooms up with a remodelled 4 piece bathroom. The main floor has hardwood flooring, an updated kitchen, an island working area, a half bath and a large living room with south-facing windows. But wait! Do you like to entertain? Or, perhaps, simply have more room for sit-down meals? If so, then you will appreciate how the living room is being used as an eating/dining room to gather with family and friends. And it totally makes sense, especially since there is a wonderful lounge area in the finished basement. Plus, a fenced patio backing onto a walkway. Close to amenities. With it's eclectic flare, this home is for someone special. It's for people who think out of the box'; who want something that doesn't look like everyone else's place. If this describes you, then be sure to put this on your list of must see homes. (id:6289)
