Single Family on 9.97 Acres

N/A, Fertile Belt Rm No. 183, Saskatchewan

At Natures Edge Acres, nature and new construction come together in a way rarely seen in SE Saskatchewan. Tucked behind a mature shelterbelt where deer and songbirds wander, this 2022 custom build delivers more than 3,000 sqft. of exceptional living space—a chance to own a true countryside original without the wait of building. Designed from the ground up with family and entertaining in mind, the home offers 5 bedrooms and 4 bathrooms, plus a surprise you’ll be talking about long after the showing: a 6th bedroom with a built-in slide right at the heart of the house. Whether it’s kids at play or simply hauling heavy bags downstairs, the slide turns everyday tasks into something fun. The main living area wows from the moment you walk in. Vaulted ceilings and wall-to-wall windows capture prairie light from sunrise to those legendary Saskatchewan sunsets. A dramatic floor-to-vault river rock fireplace anchors the space—beautiful to look at and practical too, with settings that keep the home warm even if the power goes out. The chef’s kitchen is ready for gatherings big or small, complete with a generous prep island, deep dovetailed pot drawers, and soft-close cabinetry. The sink frames tranquil eastern views while the west-facing picture window serves up nightly sunset shows. Built with modern efficiency in mind, the home features geothermal heating

and cooling, weeping tile, excellent insulation, and spa-style ensuite showers. The electrical wiring has been thoughtfully plannedâ€”â€œoverbuilt,â€• as the owners like to sayâ€”so youâ€™re ready for anything from a future basement bar with toe-kick lighting to advanced tech upgrades. Outside, the unfinished shop is already set up for big projects with a welder plug, 30-amp camper hookup, and doors tall enough for a lifted truck. Whether youâ€™re after a family retreat, a place to host unforgettable gatherings, or simply room to breathe, this acreage offers a rare combination of new-home comfort and Saskatchewanâ€™s natural beauty.
