This classic home keeps its period soul-a bright living room, functional layout and a kitchen that's held onto its vintage charm. The practical main level plan places three bedrooms and full bath on the main floor, making this a comfortable family home as is-or an ideal renovation project for someone who wants to restore or reimagine a classic. An additional bedroom and bathroom located downstairs past the original woodwork walls and must see carpeting in the rec room. Past the laundry room is a sauna for additional relaxation. Outside the property shines: a generous yard with a gardener's dream plot and plenty of space for the kids to play.
