Crooked Lake, Crooked Lake, Saskatchewan

This isn't just a lake home—it's a lifestyle. A return to slow mornings. A place where coffee tastes better on the deck. A home that invites you and those you love to stay awhile. Tucked along the shoreline of Crooked Lake, 18 Lakeview Lane offers more than a home—it offers a slower, simpler way of living. Built in 2003 and beautifully cared for, this lakefront bungalow captures the essence of year-round lake life where comfort, calm, and connection come naturally. From the moment you arrive, you will notice every detail reflects the care and attention this home has received. Log-profile siding, composite decking with glass railings, and peaceful water views create a setting that feels both relaxing and inviting. Inside, vaulted ceilings and a dual-sided stone wood-burning fireplace anchor the open-concept living space, where cherry hardwood floors and custom California shutters create a soft natural light making every day feel like a retreat. The kitchen blends warmth and function with upgraded cabinetry, solid-surface counters, stainless steel appliances, and a built-in beverage fridge. The renovated pantry offers extra storage with cabinetry towers and an upright freezer—ideal for everyday living or hosting lakeside gatherings. Three comfortable bedrooms and two full bathrooms complete the home, while the heated, insulated 364 sq ft converted boathouse adds an inspired bonus space for a gym, studio, or guest area. Step outside to the covered verandah with a

six-person hot tub and take in the lake views, or wander to the lower deck that feels like youâ€™re right on the water. Behind the home, a concrete patio and mature landscaping create another space to unwind.
